

nuCamp agrees to warrant the integrity of the camper/trailer for up to one (1) year from the date of purchase (Warranty Period). This does not include equipment or parts with separate, stand-alone warranties. This warranty covers nuCamp campers/trailers manufactured on or after April 30, 2018.

nuCamp LIMITED WARRANTY

WARRANTY COVERAGE

nuCamp will make repairs to defects in workmanship or materials, free of charge for a period of one year from the retail date of purchase. Due to design changes and improvements, we reserve the right to substitute parts, materials, or components with ones of equal value and quality. The warranty is non-transferable. The owner is responsible for maintaining the camper in accordance with the instructions provided in the owner's manual. Failure to do so may void your warranty. This limited warranty does not include those items specifically excluded (see below).
